

June 11, 2021

Dear Parents & Campers:

This document is a follow-up to the previously sent Final Mail-Out Instructions. As promised, we wanted to provide you with additional details related to the drop off and pick up processes, as well as address a few final items.

Drop Off

Item of note before leaving for camp: please check the temperature of everyone who will be riding in the vehicle before leaving your house. If anyone is showing signs of fever, they should not travel to camp as this would expose all other passengers. This will also help the nurses from having to isolate campers the moment they arrive at camp.

Our new drop off process will require ALL drivers to enter through the back entrance. The back entrance is roughly 3.3 miles off of Hwy 71. We will have staff and or signs to help direct traffic. Please reference the "Drop Off Map" below, where the red line shows the main traffic flow for vehicles and campers.

When check in begins at 3:00, there will be a stop for all vehicles where campers must exit the vehicle and check in with the nurses. We are asking that anyone not spending the week at camp remain in their vehicle to help traffic flow. There is an open parking lot just before turning off of Hwy 71 where we encourage parents to stop, get out, stretch your legs, and give lots of hugs and final instructions before proceeding to the campgrounds for drop off. There just so happens to be a great little walk up diner called the Lighthouse right there that has some incredible food if you need a bite to eat as well.

Nurses will be checking temperatures and collecting ALL medications. This includes over the counter medications, vitamins, supplements and prescription medications. Please be sure that the camper has their medication readily available to give to the nurses at this time. Have them pack this in their carry on backpack or on the top of any luggage stored away.

Once checked in with the nurses, campers will proceed to the next table at the first pavilion. This station will be the official check in. Campers will receive their name badge which will let them know their team color and cabin assignment. It is very important that they do not lose this during the week of camp.

The next table will be for bank deposits. Campers will deposit all of their funds to the bank with their just received name badge. It will be treated as their ID card for withdrawals during the week. They will want to save a few dollars for the snack bar Saturday evening.

With campers cleared by the nurses, checked in and money deposited, they will need to get back into their vehicle for a short drive to the next stop. Here is where all female campers will unload once again. This time, they will need to unload all of their luggage. We will have staff available to help make sure

all bags make it to their intended destination as they follow the green path over a bridge and to their cabins.

Vehicles with no male campers can follow the yellow path, past the cafeteria, and out towards the main entrance to exit. Those with male campers will proceed to the boy's cabins, following the red line and drop off campers and luggage before continuing out through the main entrance to exit.

Pick up

As with drop off, we are asking that drivers and parents remain in their vehicles to help with vehicle congestion. Please reference the "Pick Up Map" below where once again the red line shows the main flow of traffic. Drivers will enter the campgrounds through the back entrance and come all the way to the front of the chapel. As campers clean up their bunks and finish packing, they will all be congregated in the chapel for efficient pick up.

After all campers have been loaded into their vehicles, the next stop will be the side of the Recreation Barn where we will have all of the girls luggage organized by cabin and team color. We will help get girl camper luggage loaded and then if no boys luggage is needed, drivers can follow the yellow path, over the creek and out through the main entrance. Those that need to pick up boys' luggage will continue along the red path, load up luggage and continue behind the cafeteria and to the main gate.

A reminder, once campers have loaded into vehicles, we ask that they remain in their vehicles while collecting luggage.

Again, the parking lot once you hit Hwy 71 would be an excellent spot to get out, give and get hugs, reorganize luggage, and get prepped for the drive home.

Additional items to mention

- Previously, we have allowed visitors on Friday evenings for the award banquet, and occasionally during the week in special circumstances. This year we will allow this once again but only on a case by case basis. Please contact camp commander Henri Pousardien (contact information below) to schedule this.

Thank you for allowing us to minister to your child(ren). If you have any questions regarding this year's camp, feel free to contact me at (501) 753-6577 (Office), (501) 772-0447 (Cell), or camp@RRVHC.com.

Training them to serve Him,

Henri J. Pousardien

Camp Location

Bogg Springs Baptist Camp
784 Hwy 84, Wickes, AR 71973

Note: the camp is not located in North Little Rock, AR--this is our administrative office.

“Check-in” is from 3:00 to 4:00 p.m. on Saturday, June 19th. (Campers receive activity points for their team between 4:00 and 5:00 p.m.) Please remember, arriving late causes extra work for counselors and staff to help a camper “catch-up” and throws the balanced teams off for the first points of the week, but please drive safely even if you arrive late. All non-campers and non-staff should plan to leave before 5:00 p.m.

All campers need to stay the whole week, June 19-26 (Saturday to Saturday as was stated in the camp registration.) Trying to arrive late or leave early throws off the balance of the teams and does not give us a chance to draw the spiritual teaching of the week together for that camper (including the last morning’s quiet time).

Please make arrangements for campers to be picked up between 8:30 and 9:30 a.m. on the morning of Saturday, June 26th, (Each cleaned cabin must pass inspection before campers of that cabin can leave.)

As mentioned earlier additional information regarding the specifics of this year’s drop off and pick up processes will be provided soon. Thank you for your effort to drop off and pick up your child(ren) within the above times.

Directions: Bogg Springs is located on HWY 84, 2 miles north and 4 miles west of Wickes, AR. The Bogg Springs road turns west approximately 20 miles south of Mena or 20 miles north of DeQueen on Hwy 71.
